ORDER:

In the reference read above, the Engineer-in-Chief (R&B), State Roads, Hyderabad has stated that the Nagisettipalli – Veerabrahmamgari Mattam Road is an important Major District Road. Brahmamgari Mattam, the abode of Sri. Pothuluri Veerabrahmam a renowned pilgrim centre is located on this road in Mydukur Constituency. This road connects Mypadu – Nellore – Bellary – Bombay Road (SH.57) at one end and another end with Mydukur – Tatcherla Road another State Highway (SH.56). Pilgrims not only from A.P. but also from Karnataka State also visit this place in large number through out the year. The rush of pilgrims is more during Aradhana Utsavams in the month of May. There are two approach roads to this place. One from Mallepalli which caters to the visitors coming from Mydukur and Prakasam District side. The other approach road is from Nandipalli which caters to the visitors coming from Nellore and Kadapa Districts. This road by nomenclature “Nagisettipalli – Veerabrahmamgari Mattam Road” is a single lane road. This road passes through many villages of about 23 Nos namely Nandipalli, Nagasettipalli Cross Road, Rajupeta, Peddarajupalli, Ramachandrapuram, Thummalapalli and Thummalapalli Harijanawada, D. Nelatur, Malugudupadu, Deguvanelatur, Gundapuram, Buddensampalli, Chowdarivaripalli, Chowdarivaripalli B.C. Colony, Ravindra Colony, Gollapalli, Somereddipalli, Maddireddipalli, Vijayanagar Colony, Yadava Nagar, Poleramma Temple, Kakkayagari Mattam and ends at Brahmamgari Mattam. The total length of the road is 24.00 Km and the existing surface is Black topped road. This road was last renewed during the year 2004-2005.

2. The road is passing through B.C. soils with rich wet agricultural fields on both sides of the road. The existing road from Km 11/3 to 15/0 is at very low level compared to the fields on both sides so during monsoon season rainwater as well as canal water from Brahmamsagar Reservoir frequently overflows over the riding surface and causing damage to the riding surface. To prevent frequent damage to the riding surface it is proposed to raise the embankment where ever the road is passing through low level area i.e., from Km 11/3 to 15/0. The existing crust composition of the road is gravel base 80mm, WBM 140-160 mm thick, so total crust varies from 220 mm to 240 mm. To cope up with the present traffic intensity and as per the CBR value of 4% of sub-grade soil the out of required is 560 mm. He has, therefore, requested to accord Administrative Sanction for the work **“Improving and Widening of Nagisettipalli to Veera Brahmamgari Mattam Road (State Road) from single lane to double lane from Km. 0/0 to 24/0 in Y.S.R. District.[Working Reach Km.11/3 to 15/0]”** for Rs.350.00 lakhs under plan MDR Scheme for the year 2012-13.

(P.T.O)

3. Government after careful examination of the proposal of Engineer-in-Chief (R&B) State Roads, Hyderabad, hereby accord administrative sanction of Rs.350.00 Lakhs (Rupees three hundred and fifty lakhs only) for the work **"Improving and Widening of Nagisettipalli to Veera Brahmamgari Mattam Road (State Road) from single lane to double lane from Km. 0/0 to 24/0 in Y.S.R. District.[Working Reach Km.11/3 to 15/0]"** under plan MDR Scheme for the year 2012-13.

4. The expenditure sanctioned in Para (3) above shall be debited to the Head of Account: 5054 – C.O.L on Roads & Bridges, 04 – District and Other Roads, MH -800 – Other Expenditure, GH-11 – Normal State Plan, SH (07) – Major District Roads, 530 – Major Works, 531 – Other Expenditure.

5. The Engineer-in-Chief (R&B), State Roads, Hyderabad, shall take further action accordingly.

6. This order issues with the concurrence of Finance (Expr.PW) Dept. vide their U.O.No.18955/800/A2/Exp.pw/2012, dated:19.07.2012.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRAPRADESH)

S.P.SINGH,
PRINCIPAL SECRETARY TO GOVERNMENT.

To
